

## Drill 1: The Classic Join Drills

*CursiveTexty*

"minimum" and "aluminium" — every stroke identical height, evenly spaced. Slow beats fast.

*minimum minimum*

*minimum*

*aluminium aluminium*

*aluminium*

## Drill 2: Rhythm, Then Speed

CursiveTexty

Same sentence three times: slow and perfect → natural pace → slightly too fast. Compare.

*pack my box with five dozen grape jugs*

*pack my box with five dozen grape jugs*

## Drill 3: Signature Lab

Write your full name five ways: normal, larger capitals, faster, letters joined tighter, and one experiment.

1 — your everyday signature

2 — exaggerate the capitals

3 — written quickly

4 — tighter joins

5 — experiment (trail the last letter, underline, anything)

## Drill 4: Everyday Fluency

*CursiveTexty*

The lines adults actually write — make them automatic and elegant.
